RE: Celsius Network LLC, et al Case Number. 22-10964

Dear Judge Glenn,

I'm writing to you as a result of a grave error that has been made with the improper handling of my claim as a retail borrower and creditor of Celsius Network.

My claim was lumped together with other claimants with Withdrawal Preference Exposure (WPE). In a letter I received (Please see WPE - Letter), I quote "*You have been identified as an Account Holder with a Withdrawal Preference Exposure greater than \$100,000 who will need to settle your Claim or obtain a court order ruling that you have no preference liability before receiving any distributions under the Plan.*"

Had the Celsius team that lumped me with the WPE claimants been more circumspect in evaluating my transactions I will not be part of the WPE claimants group. On April 26, 2022, I took a one-year loan (\$40,500) equivalent to 1 BTC then but secured by almost 4 BTC. On the same day, I withdrew / cashed-out \$40,000 from Celsius to purchase a property. I even left \$500 to cover the one-year interest. I have downloaded from Celsius app my entire transactions to show proof that the only reason I exceeded the threshold is because of the \$40,000 dollars loan proceeds that I cashed-out. Excluding the \$40,000 loan proceeds will put my net withdrawal way below the threshold. (Please see attached – Celsius Transactions.)

As a result of the wrongful action of the Celsius team, even if I already approved the Plan, I did not receive my distribution. I have already suffered enough because of the agony and the minuscule distribution I am suppose to receive but my inclusion in the WPE claimants is a nail to the coffin so to speak.

Currently, there is no effective method in place for communicating with anyone about correcting this issue, more so for an international claimant like me. On this regard, I humbly request that a court ruling be issued that I have no preference liability so I could receive my distribution under the Plan.

I am hoping for your favorable consideration so I can recover whatever is left from my lifetime savings.

Respectfully yours,

  
ARTURO I. LIPIO, JR.
